Victim	The BICI Report	Legal Status
<p>1. Hassan Makki</p> 	<p>The MoI investigation into the death of Hasan Jassim Mohamed Maki concluded that his death was caused by medical negligence. A prosecution was initiated against one doctor involved in Mr Maki's case. The Commission concludes that this death can be attributed to his mistreatment whilst in custody.</p>	<p>So far there is no case in Court.</p>
<p>2. Ali Saqer</p> 	<p>The MoI investigation into the death of Ali Isa Ibrahim Saqer has resulted in the prosecution of five individuals. On 25 May 2011, the MoI referred charges of manslaughter against two MoI personnel to a military court. A further three MoI personnel have been charged with failing to report this crime. The Commission concludes that this death is attributable to Mr Saqer's mistreatment while in custody.</p>	<p>The Public Prosecution charged the first and second defendants with assaulting the bodies of the detained victims, Ali Isa Saqer and Zakariya Al-Ashiri, by beating them with a plastic hose in different parts of their bodies without intending to kill them, which caused the wounds described in the medical report, and which led to their death. While it charged the third, fourth and fifth defendants with neglect, and since they are policemen they should have reported a crime related to their work and which is assaulting the victims Ali Isa Saqer and Zakariya Rashid Al-Ashiri by the defendants. The defendants are being</p>

tried in the First Criminal Court.

3. Zakariya Al-Ashiri

The MoI investigation into the death of Zakariya Rashid Hassan Al Asheri has resulted in the prosecution of five individuals. The Commission concludes that Mr Al Asheri's death is attributable to his mistreatment while in custody.

Same thing that was reached in the case of Ali Saqur.

4. Abdul-Kareem Fakhrawi

The death of Abdulkarim Ali Ahmed Fakhrawi occurred at the BDF Hospital after he had been transferred from the custody of the NSA.⁵⁰⁷ The NSA conducted an investigation into the physical abuse of Mr Fakhrawi but not into his death. The NSA investigation resulted in the prosecution of two individuals for physical abuse. The Commission considers that the NSA failed to conduct an effective investigation into Mr Fakhrawi's death, which would satisfy the relevant obligations under international law.

The First High Criminal Court issued on Sunday (30 December 2012) a sentence to imprison two policemen from the National Security Apparatus with 7 years, and to refer the case particular of those accused of torturing Abdul-Kareem Fakhrawi to the Civil Court.

5. Jaber Alawiyat

The death of Jaber Ebrahim Yousif Mohamed Alawiyat occurred four days after he was released from the custody at the MoI Dry Dock

Detention Centre. The MoI failed to conduct an investigation into the death of Mr Alawiyat, and consequently has not complied with international law.

6. Jawad Al-Shamlan

The death of police officer Jawad Mohamed Ali Kadhem Shamlan is attributable to the BDF. The Military Attorney General's investigation found that the death resulted from the deflection of a bullet fired in legitimate circumstances. The investigation therefore concluded that the BDF personnel acted in accordance with the law. As has already been stated, the Commission concludes that, the Military Prosecution investigations were not effective and consequently that it was not in compliance with international law.

So far there is no case in Court.

7. Aziz Ayyad

The Commission has been unable to attribute the death of Lieutenant Aziz Jumaa Ali Ayyad to specific persons or agencies. The exact circumstances of Lieutenant Ayyad's death are unknown. Consequently the Commission is unable to attribute his death to a particular agency or group of persons. The BDF has not initiated an investigation into the circumstances surrounding this

death and consequently there has not been compliance with international law.

8. Abdul-Redha Buhamaid

The death of Mr Abdulredha Buhamaid may be attributed to the BDF and may have resulted from the use of excessive and unnecessary lethal force. The Military AG purports to have conducted an effective investigation, which found that the BDF did fire warning shots but that the calibre and trajectory of the lethal bullet meant that it could not have been fired by the BDF. The investigation concluded that the BDF personnel appeared to have acted in accordance with the law.

So far there is no case in Court.

9. Bahiya Al-Aradi

The death of Ms Alaradi is attributable to BDF. However, the available evidence is not sufficient to conclude that the death resulted from an excessive use of force. The Commission has found no evidence to support the family's belief that the deceased was shot by a sniper.

So far there is no case in Court.

10. Jaffar Mayoof

The Commission is able to

establish that Mr Mayoof was shot by security forces. However, the available evidence it is not sufficient to conclude that the death resulted from an excessive use of force.

11. Ali Mushaima

The death of Mr Almeshaima can be attributed to the use of excessive force by police officers. At the time of the shooting, there were no reports of any disturbances in the Daih area. Furthermore, the fact that Mr Almeshaima was shot in the back at close range indicates that there was no justification for the use of lethal force.

The High Criminal Court sentenced on Thursday (30 January 2013) with 7 years in prison a policemen in the case of the death of Ali Abdul-Hadi Mushaima, and which is the maximum penalty in the charge against the policeman. Mushaima is considered one of the first victims of protests that broke out in Bahrain on (14 February 2011)

12. Fadhel Al-Matrook

The death of Mr Matrook can be attributed to the use of excessive force by police officers. One police officer has admitted that he fired a shotgun round in the direction of the demonstrators. The MoI has initiated an investigation into this case. The Commission has not received any information on the recent progress of this investigation.

The High Criminal Court reserved 26 February 2013 a date to rule in the case of the two policemen accused of killing Fadhel Al-Matrook. The Court charged the two policemen as officials in the Ministry of Interior who fired a bullet from a shotgun at the victim (Fadhel Al-Matrook) without intending to kill him, which caused the

wounds described in the medical report and which led to his death.

13. Mahmood Abu-Taki

The death of Mr Abutaki can be attributed to the use of excessive force by police officers. The Commission has not seen any evidence to suggest that the demonstrators were armed with weapons. Furthermore, the fact that the deceased was shot in the back at close range indicates that there was no justification for the use of lethal force. The MoI initiated an investigation into this incident. The Commission has not received any information on the recent progress of this investigation.

So far there is no case in Court.

14. Ali Khudair

The death of Mr Khudair can be attributed to the use of excessive force by police officers. The Commission has not seen any evidence to suggest that the demonstrators were armed with weapons. Furthermore, the fact that the deceased was shot in the back at close range indicates that there was no justification for the use of lethal force. The MoI initiated an investigation into this incident. The Commission has not received any information on the recent progress of this

investigation.

15. Isa Abdul-Hassan

The death of Mr Hussain can be attributed to the use of excessive force by police officers. The fact that the deceased was unarmed and was shot at close range in the head indicates that there was no justification for the use of lethal force. Furthermore, the MoI initiated an investigation into this incident and concluded that the evidence amounted to a wrongful killing.

The Third High Criminal Court acquitted on (27 September 2012) two policemen in the case of the death of Ali Al-Momen and Isa Abdul-Hassan, who were killed in the events witnessed in Bahrain in February 2011. The Public Prosecution charged the defendant on (17 February 2011) as an official (Head Police Officer) at the Ministry of Interior, and while performing his duty he assaulted the body of the victim Isa Abdul-Hassan by firing a bullet (shotgun pellet) which hit him in the head, and caused the wounds described in the forensic report, by doing that he did not intend to kill him, however it led to his death.

16. Ali Al- Moumen

The death of Mr Moumen can be attributed to the use of excessive force by police officers. The fact that the deceased was unarmed and

was shot at close range in the thigh indicates that there was no justification for the use of lethal force. Furthermore, the MoI initiated an investigation into this incident and concluded that the evidence amounted to a wrongful killing and a police officer is being prosecuted for this offence.

Momen and Isa Abdul-Hassan, who were killed in the events witnessed in Bahrain in February 2011. The Public Prosecution charged the defendant on the same date as an official (policeman) at the Ministry of Interior, and while performing his duty he assaulted the body of the victim Ali Al-Momen by firing a bullet (shotgun pellet) which hit him in the leg, and caused the wounds described in the forensic report, by doing that he did not intend to kill him, however it led to his death.

So far there is no case in Court.

17. Ahmed Farhan

The death of Mr Farhan can be attributed to the use of excessive force by police officers. The fact that the deceased was unarmed and had already been shot in the right leg before being shot at close range in the head indicates that there was no justification for the use of lethal force. The MoI initiated an investigation into this incident. The Commission has not received any information on the recent progress of this investigation.

**18. Jaffar
Mohammed
Salman**

The Commission is able to establish that Mr Salman was shot by police officers. However, the available evidence is not sufficient to conclude that the death resulted from an excessive use of force.

So far there is no case in Court.

**19. Hani Abdul-Aziz
Jumaa**

The death of Mr Jumaa can be attributed to the use of excessive force by police. The fact that the deceased was unarmed and was shot three times while running away indicates that there was no justification for the use of lethal force. The MoI investigation has identified the officer responsible for the death.

The Third High Criminal Court convicted on (27 September 2012) First Lieutenant in the Ministry of Interior with 7 years in prison in the case of killing Hani Abdul-Aziz, after he was charged with beating that led to death. The sentence issued against the defendant is the maximum penalty. The Court indicated that it was satisfied with the evidence, which included that the defendant on (19 March 2011), and as a First Lieutenant in the Ministry of Interior, and while performing his duty killed the victim Hani Abdul-Aziz by firing three bullets from

a shotgun with the intention of killing him. The Court decided to refer the civil plaintiffs to the concerned Civil Court without expenses.

20. Isa Radhi

The death of Mr Alradhi can be attributed to the use of excessive force by police. The fact that the deceased sustained multiple injuries consistent with impacts or beatings indicates that there was no justification for the use of lethal force. The MoI initiated an investigation into this incident. The Commission has not received any information on the recent progress of this investigation.

So far there is no case in Court.

21. Ahmed Abdulla Hassan

The death of Mr Hasan can be attributed to the use of excessive force by unknown persons. The fact that the deceased was shot three times in the back indicates that there was no justification for the use of lethal force. The Commission is unable to attribute this death to a particular agency or group of civilians.

So far there is no case in Court.

22. Majeed Abdul-Aal

The exact circumstances of this death are unknown. Consequently,

So far there is no case in Court.

the Commission is unable to determine that there was an excessive use of force or to attribute this death to a particular agency or group of civilians.

23. Isa Mohammed Ali

The MoI has failed to conduct any investigation into circumstances surrounding this death. The available evidence is not sufficient to establish the responsible persons or whether the death resulted from an excessive use of force.

So far there is no case in Court.

24. Khadija Mirza

The exact circumstances of this death are unknown. Consequently, the Commission is unable to determine whether there was an excessive use of force or to attribute this death to a particular agency.

So far there is no case in Court.

25. Sayed Hameed Mahfoudh

The Commission considers that the death of Mr Mahfoudh was an unlawful killing. The fact that the deceased was found inside a plastic bag and the evidence of suffocation are indicative of an unlawful killing. The Commission is unable to attribute this death to a particular agency or group of

So far there is no case in Court.

civilians.

**26. Jaffar Hassan
Yousif**

The exact circumstances of this death are unknown, and consequently the Commission is unable to determine whether there was an excessive use of force or to attribute this death to a particular agency or group of civilians.

So far there is no case in Court.

**27. Abdul-Rasool Al-
Hujairi**

The death of Mr Hujair can be attributed to the use of excessive force by unknown persons. The fact that the deceased sustained multiple traumatic injuries indicates that there was no justification for the use of lethal force. The Commission is unable to attribute this death to a particular agency or group of civilians.

So far there is no case in Court.

**28.
Stephen
Abraham**

The death of Stephen Abraham is attributable to the BDF. The Military AG purports to have conducted an effective investigation. The investigation found that the calibre and trajectory of the lethal bullet meant that it could not have been fired by the BDF. The investigation concluded that the BDF personnel
